This years Subsea 7 Calendar features specially commissioned paintings of Subsea 7 vessels by local painter Rob Andrew.

Rob trained as an architect in Aberdeen. Worked in architecture in Glasgow, Edinburgh, Czechoslovakia and South Africa before taking the plunge into a career with paint. A family connection to the Scottish herring fishery between the wars provided the source material for the first few years. Gradually, the subjects became more modern, still mainly fishing vessels, but, occasionally, commissions for larger tonnages came along. Exhibitions followed in The Museum Of Scottish Lighthouses and the Aberdeen Maritime Museum in the spring and autumn of 2006.
